Next meeting October 4th @ 6:00 PM.

Please keep all our members and their families in our thoughts and prayers in 2021.

Dear Quilters,

It is already October, the days are shortening, and the weather is getting cooler! If only all the outside “stuff” could be done, it would be fun to sew! But that time will soon come. This month’s meeting, on Oct. 4, 6:00 pm, will have a variety of topics, including: applique how-to, Christmas stockings, the Hour-Glass piecing technique, our Christmas Block Project, “You Be The Judge” game, and a couple other surprise items! It won’t be a dull meeting and we will find some new adventures to try!

We will also have a different format for the “Vulture Table” so bring a couple of items that need to find a new home!

Show and Tell will be important for this meeting, and bring a project you have made using applique techniques. There were several requests for applique how-to on the cards you submitted so this will be a group discussion and demonstration. You will also have a mini project to take home and try!

Please keep all our members and their families in your thoughts and prayers in 2021. As Miss Pollie says, “We never know what is coming” and as the Scouts motto says, “Be Prepared”! If you call one person a day, by the end of the month, you have talked to everyone in the guild!
Emails are ok, but a personal voice is so much more warming to the heart and soul.
