Kentucky Residential 4-H Camp Essential Standards for Camp Participants

It is the policy of the University of Kentucky, Kentucky 4-H and the Kentucky 4-H Camping program to encourage and accept participants without regard to race, color, ethnic origin, national origin, creed, religion, political belief, sex, sexual orientation, gender identity, gender expression, pregnancy, marital status, genetic information, age, veteran status, or physical or mental ability. Parents/Guardians of children who have medical conditions or other disabilities requiring special attention should alert the agent to ensure proper care and accommodations are provided. If the camper requires personal care or a level of attention not available through camp staff or volunteers, a family friend or relative of the same sex over age 18 or a parent/guardian must accompany the child as a caregiver. The parent/guardian will agree to pay the individual costs of the caretaker (25% of the camper registration fees.) The Client Protection Process will be performed on the caretaker with favorable results.

To determine whether a caregiver should accompany a camper, the following factors will be considered:

- Ability to dress without assistance
- Ability to maintain personal hygiene, e.g. bathing, brushing teeth
- Ability to attend to toileting needs
- Ability to understand and follow oral or written instruction
- Ability to remain at rest or sleeping according to the camp schedule
- Ability to participate in group activities with minimal individual attention
- Ability to participate in a communal living environment with minimal individual attention
- Ability to sustain a 15-hour (7am-10pm) camp day with limited rest periods

I have reviewed and acknowledge the essential standards for camp participants policy.

- Ability to understand and respond to dangerous conditions
- Ability to take medications according to a pre-set schedule and with minimal assistance
