# Outlaw Quilting

## What is Outlaw Quilting?

It is all the little tricks from a long-seasoned designer and quilter. During this class you will make one of the quilts shown here. You can use your own scraps. You will also be able to carry these techniques to future projects. These quilts were designed to give you the opportunity to try some possibly, unorthodox methods of madness. The quilt police are not invited and nobody has to be perfect.

## Session 1: Quilt planning and design (sewing machine not required for session 1 only)

Size and adjustments

Create continuity with scrappy fabric

Block and sashing and continuity

Design Balance

How much fabric will it take?

Quilt math 101

Block corner options and secondary patterns

Cutting, the Outlaw way

Cutting tools and safety (outlaws quilters value safety)

Outlaw fabric management

## Session 2: Creating the blocks and shortcuts to set together

Color choice and layout per block

Perfect point technique

Getting those pesky seams to meet

Outlaw hints for piecing, particularly, the "line"

Sewing machine hacks

Outlaw pressing

Block and Sashing

## Session 3: Borders and 4 to 6 flying geese per minute. Maybe even 10

Flying goose 101

How many will it take?

How many to make?

Avoid wavy borders

Directional borders

Mitered corners without even getting up

from your machine

Keep your stitches from popping loose

around the edges

## Session 4: Quilting and Binding

Hand quilting

Machine quilting

Custom quilting

Cutting binding the outlaw way

Sawtooth bindings

Two pass machine binding technique

that can produce a pretty binding in half

an hour

Traditional binding

## Extras:

Vintage Sewing machine identification and use.

The outlaw way to ruffle like a pro, in half the time

The hidden quilt sleeve

# Outlaw Cutting For Beginners

We will cover the following and much more.

1. Fabric Management –How we fold, stack and handle our fabric is 60 % of the process.
2. Using the correct tools.
3. Don't buy that!
4. Handle it as if it were made of spider webs.
5. Reading our rulers.
6. Quilt math for cutting.
7. Rotary V/S Template cutting.
8. Practice!
9. Storing our parts.

## PRECISION PIECING CLASS:

# REGISTRATION FORM

Registration is \$5.00 per day to cover the cost of water, tea, coffee, and light snacks for breakfast & afternoon. You are on your own for lunch.

Open sewing will be available each day.

Snippy Jim will be here on Friday March 21<sup>st</sup>. \$5.00 for each item sharpened per person. In addition to scissors, he sharpens snips, pinking shears, knives, garden tools, axes, loopers and manual hedge trimmers.

Doors will open at 8:00 AM in the upstairs room. Classes will be held in the basement. Open sew will be in the upstairs room.
