New Business

We need a President and Vice President for the 2025-2026 year for the Quilt Guild, and for the County. Elections are in May so officers can be installed in June.

To serve on the Board of Anderson County as President or Secretary (which will be elected for the 2025-2026 year) you must have been an officer in one of the clubs and served in one of these roles. All Officers are required to complete a background check with the Extension Office, which is required by the University of Kentucky.

Home Craft and Garden Fair will be later this year in the downstairs of the Extension Office Building. Start gathering your items. We will need volunteers to work. We will be working on our catalogue as well. More details are coming soon.

In April the Library will have a craft swap. More information to follow.

April 17th there is a Tea Party at the Evergreen Restaurant in Frankfort to support Simon House.

Quilter's Spotlight

This month the spotlight is on our members.

June Denny has been quilting for over 20 years. During this time, she has made more than thirty-five quilts. Most have been donated to various organizations. The most unique quilt she made was one of her grandmother's Flower Garden Quilt. She has now done two of the Flower Garden Quilts. Her favorite quilt was completed when she took her grandmother's quilt blocks and sewed them into a quilt. Her favorite color is blue, and she loves all different kinds of food. June has 2 children and 11 grandchildren and one great grandchild.

Roetta Walls has been quilting for about 15 years and has made over 20 quilts. The most unique quilt she has made was the Under The Sea Quilt. Her birthday is in May, and her favorite color is green. Her favorite quilt is the Log Cabin Quilt. Her beloved cat has been the recipient of several quilts that Roetta has made. Her favorite food is ice cream.
